An air of crisp elegance
evoking nature's
creative strength.

SAND 50x100 - 20"x40" rett.

PANAREA

A handful of volcanic islands in the heart of the Mediterranean give impulse to a stone look with true character. Panarea expresses the charm of lava stone through an exciting and complete ceramic collection: four shades ranging from a vivid ash gray to a sophisticated slate black, seven different sizes, two thicknesses for indoor and outdoor installations, and an amazing array of mosaics blending the different colors in the line.
